WEDDING PLANNING + DESIGN

about us

Planning a wedding is stressful. The Peppercorn Team will be here to hold your hand, act as a sounding board and be a safe place to vent. With a combined 100+ weddings planned and executed, our team will be able to advise and anticipate the needs of our couples, their venue and vendors. When working with us, no ask is too big or too small. We are here to take on as much or as little as you'd like, adjusting and fine tuning details throughout the planning process and ensuring a smooth execution of your wedding day.
